### HOW IT WORKS

1

Connect Avalara for Hospitality directly to ProfitSword for seamless, automated tax compliance.

2

Automate hospitality tax return preparation and filing using monthly transactional data received from ProfitSword.

#### CALCULATIONS

Leverage Avalara to store all your hospitality compliance information in one central location and let it calculate sales & use taxes and occupancy taxes for you.

- **Single content source:** Increase accuracy with a single source of rate and jurisdictional information.
- **Automated updates:** Save time and resources required to monitor changes with automatic tax rate and regulation updates.
- **Prebuilt integrations:** Easily connects with ProfitSword by Actabl, PMS, POS, billing, CRM, and custom applications through pre-built connectors or APIs.

#### RETURNS AND REPORTING

Simplify your tax reporting filing, including sales tax and occupancy tax, for hospitality businesses.

- **Automated returns:** Avalara prepares your returns and files them for you.
- **Tax notices:** Quickly respond to tax notices with information stored in the cloud.
- **Seamless integration:** Easily access sales transaction data directly from your PMS system.
