

Actabl and Netchex Partnership:

THE CHALLENGE:

- > Payroll doesn't need to be complex and messy.
- > Businesses find themselves stuck battling the same issues of high turnover and low employee engagement while facing increased pressure from owners and executives to improve results.
- > Eliminate unnecessary data entry and prioritize employee engagement through intuitive technology and automation. With industry leading service at our core, we nurture our client base who drive our innovation and growth.

THE SOLUTION: NETCHEX

- > Netchex specializes in the hospitality industry providing a simple, mobile first payroll and HR technology to lean HR departments and deskless workers.
- > Information powered by Technology is now the standard within today's business climate for Hoteliers. Labor analytics with intuitive Human Resources is the reality with the best of breed partnership HE & Netchex delivers. What are you doing to leverage your data for more ROI?
