

Actabl and Acumen Partnership: Smarter Financial Management for Hospitality

Acumen delivers a hospitality-specific financial management platform that replaces legacy tools and other industry-specific accounting systems. It consolidates financial workflows, automates multi-property reporting and cuts manual reconciliation. Acumen is scalable and built for growth.

THE CHALLENGE:

Using an obsolete or poorly supported accounting system with manual efforts.

THE SOLUTION: **ACUMEN**

Acumen provides modern, purpose-built accounting and financial tools that address the common pain points of hotels running on outdated legacy systems. Accurate, real-time financial insights help owners and operators make faster decisions and manage multiple properties efficiently. Acumen makes operations more efficient by:

- > **Hospitality-specific accounting:** workflows tailored to hotel operations.
- > **Fast consolidation across properties:** no more manual aggregation.
- > **Scalable cloud infrastructure:** supports growth without system slowdowns.
- > **Modern integrations:** with PMS and core hospitality systems.

HIGHLIGHT REEL:

TOOL: Hospitality-specific financial/accounting platform.

VALUE: Scalable, faster reporting, reduced manual work.

BEST FIT: Hotels outgrowing entry-level accounting tools.

REPLACES: QuickBooks, Microsoft SL, Great Plains and similar legacy systems.
